

Second Annual Mission Cool Off Program Begins

Immediate Release

The Nevada State Contractors Board (NSCB) and the Southern Nevada Air Conditioning Refrigeration Service Contractors Association (SNARSCA) are pleased to announce the start of the 2007 Second Annual Mission Cool Off Program. This year **five households** will be chosen to have their air conditioning units replaced **free of charge** with new ones.

The program is limited to no more than 100 applications received between **January 26 and February 23, 2007**. Selections will be made depending on a person's or family's special needs. The program is not open to Tenants, Landlords, Owners who do not reside at the residence or Mobile Home Owners.

An Application and Homeowner Waiver and Media Release form can be downloaded from the Nevada State Contractors Board website at: **www.nscb.state.nv.us** or by calling Kenya McCampbell at: (702) 486-1136.

The Nevada State Contractors Board has the responsibility to promote quality construction by Nevada licensed contractors through a regulatory licensing system designed to protect the health, welfare and safety of the public.

SNARSCA is a non-profit corporation committed to promoting and protecting the interests and welfare of the industry, its members and the public.

Mission Cool Off 2007 -- *Helping Homeowners in Need*

Conditions of Donated Equipment and Labor (Homeowner Waiver)

Be it known to the homeowner that all material and labor donated is donated as is. The **Southern Nevada Air Conditioning Refrigeration Service Contractors Association and the Nevada State Contractors Board and the assisting contractor** specifically disclaim any express warranty, implied warranty of merchantability of goods, and of any implied warranty of fitness of goods for any purpose.

The homeowner agrees to indemnify and hold harmless the directors, officers, employees, and agents from any and all claims, losses, liabilities and expenses in connection with the donation of said material, the loading of said material by agents of the contractor and the subject removal of said material from homeowner's premises.
